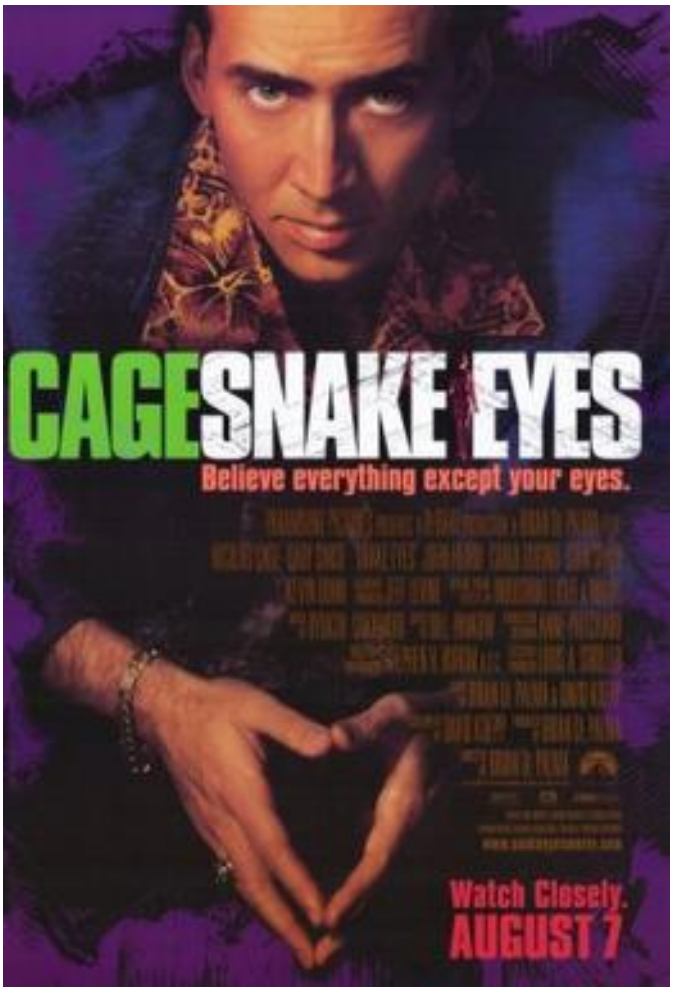
Mike Stone – Revelation of the Method in the Charlie Kirk Shooting"

Friday, September 26, 2025 10:33



Is the movie *Snake Eyes* an example of Revelation of the Method?

By Mike Stone
(henrymakow.com)

Revelation of the Method is a tactic employed by those who seek to oppress us. It's a form of witchcraft derived from the Kabbalah that consists of revealing to the public what they plan to do before they do it.

To understand how it works, one must first come to grips with the reality that the people behind these things, whether fake school shootings, fake pandemics, or terrorist attacks, are into sorcery, witchcraft, and satanism. They literally worship the devil. You might think that's nonsense, but the people behind these hoaxes, terrorist attacks, and assassinations don't. They believe in the forces of evil very strongly, and they're much smarter in the ways of the world than you are.

By revealing what they are going to do beforehand - Revelation of the Method - they believe they are granted special powers to carry out their plans. They also believe it makes their victims complicit in their own demise. In other words, if the hoax-pushers reveal months and years ahead of time that they are going to launch a worldwide fake pandemic, and people are dumb enough to go along with it, then the people who die or injure themselves because of that fake pandemic have no one to blame but themselves.

It's no different than someone telling you, "I'm going to enter your house and take everything you own," and you throwing the door wide open and saying, "Sure, come on in. Take whatever you want.

made no effort to stop him. You're complicit in the crime. Get out of my courtroom.

Just like that judge, the hoax pushers believe God will reject everyone who complies and goes along with their plans. That's why they reveal their plans beforehand. They do it every single time.

The 1998 movie *Snake Eyes* directed by Brian de Palma features a character named Charles Kirkland who is shot in the neck by a sniper. Charlie Kirk was allegedly shot in the neck by a sniper.

In the movie, Charles Kirkland is shot on September 10. Charlie Kirk was shot on September 10.

In the movie, a character shouts, "Tyler!" just before the fatal shot is fired. A man named Tyler Robinson is charged with murdering Charlie Kirk.

In the movie, a long-haired decoy creates a disturbance to distract from the shooting. At the Charlie Kirk event, a long-haired decoy created a disturbance to distract from the shooting, and George Zinn confessed to police that he was hired to create a disturbance that would allow the shooters to escape.

In the movie, Charles Kirkland is killed because he does not support a defence system for Israel. Candace Owens, Tucker Carlson and others are openly accusing Israel of assassinating Charlie Kirk.

Is the movie *Snake Eyes* an example of Revelation of the Method?

US Marine Fighting Tyranny

Dear CIA:

Congratulation on what might be one of your finest pieces of fiction (psy-op) ever!

Stupid gullible Americans seem to be buying your bullcrap propaganda about Kirk being some kind of "hero", when we know for a fact, he was just a treasonous low-life sell-out that took MILLIONS UPON MILLIONS UPON MILLIONS of Israel Bribe-Dollars, and then suddenly decided to turn on his JEEEWWW masters. (For reasons still being kept secret)

Although the Alt. News tries to portray Kirk's turn-around as an act of conscience, we know that's pure excrement as well.

Amazing how stupid Americans are,… "WW2 – Pearl Harbor**", Gulf Of Tonkin Incident", "USS Liberty", "Moon Landing", "Watergate", "Oklahoma City", "9/11" (just name a few of the bigger ones), and now "Charlie Kirk"…. Stupid gullible people are lapping it up like a dog licking up it's own vomit,… amazing,… just amazing how dumb some people are.

**NOTE: Yes,.. I know CIA was just "OSS" back then and only had a minor role in the staging of Pearl Harbor (Wild Bill Did Have A Little Part In It), just as Tonkin was mostly a DOD Op, and the Liberty was a joint CIA/Mossad Op where you actually sacrificed your own men and assets,… WOW!

Bravo CIA,…. You guys really outdid yourselves on this one!

JD – US Marine: Although Netanyahu Ordered The Kirk Hit,… It Appears The CIA Was Given All Operation Aspects, Including The "Wet-Op", Cover Story, Funeral Event, And All Related Propaganda Duties.
